SENT SOLDIERS OUT
ON 10 MILE HIKE.
U. S. Coast Artillery Stood the DMH
in the Heat Well.
A ten mile hike was the feature of
the Friday programme Friday at Ni-
lan, where 12 companies of coast ar-
tillery from Forts Wright, Terry and
Michie are encamped. It was pretty
hot when the companies of coast ar-
tillery were out on the march. The
picture was photographed there but
that reel included all the principal
features of the company.
Under the direction of W. Eugene
Moore and Leo Wirk, assistant direc-
tor, the company staged one of the
most pathetic scenes of the picture.
The cast included Miss Mignon Au-
tredson as the leading lady, H. Gordon,
A. Barker, and G. Mario. The com-
pany left the city immediately after
the scenes at the mill were finished
and returned to the studio in New
Rochelle, where the picture was
finished and ready for the screen in
about three weeks.

FEDERAL REGULATIONS
COVERING GAME BIRDS
Will Be Strictly Enforced—Notice
Given to State Department.
A communication has been received
by the fish and game commission from
the department of agriculture in Wash-
ington stating that the federal regula-
tions as amended Oct. 1 will be strictly
enforced, that insectivorous birds are
protected indefinitely, and that hand-
tied pigeons, cranes, swans, curlews,
smaller shore birds, and wood duck are
protected by the federal law until Sept.
1, 1916. At all times shooting is pro-
hibited between sunset and sunrise.
The department says that it is its
purpose to conform the regulations to
the wishes of the majority of the
sportsmen so far as it can be done, and
at the same time give wild fowl the
necessary protection.

Heat Affects Milk Supply Little.
Deputy Cattle Commissioner P. A.
Ingram said Friday that while the ef-
fect of the hot weather on cattle was
seen in the milk supply, the reduction
was hardly appreciable. There con-
tinues to be an abundant supply of
milk all over the state, and there is no
reason to fear a shortage. The deputy
said the milk raisers found it some-
what difficult to dispose of all their
milk. "There are plenty of milk cows
in the state, and they are in good con-
dition," added the deputy commis-
sioner.

Up to Friday from Investments Tax.
The state treasurer from the in-
vestment tax amounted to about \$35-
900. It is expected that \$90,000 more
will be received during the balance of
the month. The last day for the filing
of lists of investments with the treas-
urer is Sept. 30.

**SUMMER CAPITAL IN
EASTERN CONNECTICUT.**
Development Committee Believes Ad-
vantageous Site Could Be Found.
The initial move towards inviting
attention to eastern Connecticut as the
ideal spot for the summer capital of
the nation is to be taken at the meet-
ing of the Eastern Connecticut Devel-
opment committee which is to be held
next Tuesday at Putnam with the Put-

nam Chamber of Commerce.
It is considered by those particularly
interested in the plan that the hills of
Wigdam county and the shores of
Long Island sound both offer ideal lo-
cations and that a choice from one or
the other could be made as seemed
best adapted to the president of the
United States. Speakers of note have
been invited to attend the meeting and
that the plan can be presented in its
best aspects and the senators and
congressmen from this section are to
be invited to give their support to the
plan.
One of the prominent men, one who
has a large amount of real estate in
eastern Connecticut, who will prob-
ably attend the meeting and make an
address on the subject is Frank A.
Munsey. There have been invited also
several equally prominent.
Congressman Richard P. Freeman is
expected to speak on the federal act
known as the seamen's act.
New York State has a population of
10,000,000.

Coming to Elks' Opening.
New London lodge of Elks named a
committee at its meeting on Thursday
evening to arrange the details for at-
tending the opening of the addition to
the Elks' home in this city.
New London lodge will carry a brass
band and will go prepared to make as
good a showing as any lodge. All the
lodge in the nation, it is expected, will
be well represented. The Williams and
Putnam lodges will come with brass
bands.

DROWNED AT JEWETT CITY
Max Mintz of This City Taken With Cramps in Ashland Pond
—Corlman Rasin With Him But Unable to Help—Body
Recovered Soon After the Accident by John Sullivan.

Max Mintz, member of the clothing
firm of Mintz Bros., of No. 122 Main
street, this city, was drowned Friday
afternoon about 8 o'clock in Ashland
pond at Jewett City. The body was
recovered soon after the accident.
About 10 minutes before a rain
storm that came suddenly Friday after-
noon, Mr. Mintz, who was 28 years
old, and Corlman Rasin, who also lives
in this city, went to the Ashland pond
for a swim. Mr. Mintz had been in
Jewett City during the day in connec-
tion with his clothing business. He
had eaten a hearty meal, he told Mr.
Rasin, and he hesitated at first about
going into the water, but he finally
undressed and went in with Mr. Rasin.
He was seized with cramps and be-
fore his friend could do anything to
help him he had sunk and was
drowned.
John Sullivan, who was on the pond
with a boat, rowing near the spot, re-
covered the body and with the help of
Mr. Rasin drew it ashore.
Telephone calls found Dr. G. H. Jen-
nings to be out of town. Dr. H. T.
Thurber responded as quickly as pos-
sible and said the man had been dead
an hour. Later Coroner G. H. Jen-
nings gave Undertaker J. A. Hourigan
permission to remove the body to his
undertaking room, where he examined
the body, and gave the cause of death
as accidental drowning.
Mr. Mintz leaves three brothers in
this city surviving him, as well as his
parents in Russia. With Louis and
William Mintz he made up the firm of
Mintz Bros., in which he was the senior
member.
His brothers, Louis and William,
went to Jewett City in the afternoon,
when they had been notified of the sad
accident.
Young Mr. Mintz was industrious
and enterprising and was well thought
of among his many acquaintances. At
one time he was secretary of Work-
men's circle, No. 123. His residence
here was at No. 270 Main street, he
having hired a room in the apartments
of Mr. and Mrs. Harry Zeilinger.

ANNUAL RALLY SOCIAL
HAD LARGE ATTENDANCE
At First Baptist Bible School—Flags
and Flowers for Decorations.

In response to the invitations sent
out by Superintendent Stephen E.
Peckham, there was a large attend-
ance of members and friends of the
First Baptist Bible school at its an-
nual rally social held at the church
Friday evening.
The room was attractively decorated
with the American flag, asparagus
ferns, hydrangeas and the brilliant
autumn leaves.
The evening opened with selections
by an orchestra of seven pieces, Prof.
Fred Ger plan, the Messrs. Robert
Otis and LeRoy Elyon, cornets; Frank
Benson, violin; Harry Ward, slide
trombone; Alfred Elven, clarinet; Ed-
ward Ward, flute. As always such
musical number was heartily received.
Selections were played throughout the
evening, adding much pleasure to the
enjoyable program arranged. A play
was offered by the pastor, Rev. George
H. Strouse.
Master Robert Otis welcomed all
in a poem written for the evening,
closing by inviting each one to at-
tend the rally Sunday service when
there will be a special rally sermon
in the morning by the pastor, and
Secretary Hill is to speak to the Sun-
day school.

The programme arranged was as
follows: Reading, a selection from Jo-
seph Lincoln's Cap'n Eli, Through
Fire and Water, by Mrs. Margaret
Nevin, Miss Marion Kimball; orches-
tra; reading, Trouble in the Amen
Corner, by Mrs. Margaret Nevin, Miss
Marion Kimball; orchestra; violin
solo, Frank Benson, accompanist, Prof.
Fred Ger plan, vocal solo, Only a Rose,
Miss Marion Kimball. Miss Kimball
graciously responded to two encores,
singing Dearest, and Absent. She was
accompanied by Miss Elizabeth Park.
Reading, Calling Up Miss Smith, Mrs.
Manning. Mr. Manning responded to
encores, giving bright little readings
which were greatly enjoyed. Miss
Kimball headed for the first time at
the church, delighted all. The violin
solo by Frank Benson, a member of
the school orchestra, was very pleas-
ing and was heartily applauded.
The programme was varied and added
another successful evening in the
Sunday school calendar of calendar
rally socials. At the close of the pro-
gramme the classes, three at one time,
were invited to the dining room down
stairs where ice cream and cake were
served.

The committee consisted of Mrs.
W. H. Whitcomb, Mrs. A. Albert Wil-
ley, Mrs. Carrie Park, Miss Kate Wil-
ley, the Messrs. Will Koonz, Robert
W. Otis and LeRoy Elyon. Acting as
ushers during the evening were Her-
bert Willey and Clifford Ott.

STEINER BROS. COPPER
MINE PROSPECTS BRIGHT
Norwich Men Much Encouraged by
Recent Assays of Ore.

A Norwich visitor to the Jocon-
mines, Westville, Colorado, owned and
being developed by the company of
which John G. Steiner of Norwich, is
president, and Henry J. Steiner, his
brother, treasurer, sent home a most
interesting account of work and pros-
pects there.
All assays of the ore are most en-
couraging and old miners assure the
young tenderfoot prospectors from
Connecticut that they have not labor-
ed in vain, but are in line to make
a big success of the development of
their property.
The situation of the mine is favor-
able in every respect, the young men
are working on steadily, hopefully and
perseveringly and it begins to look
now as though there was truth in
the prediction of a New York paper
which, referring to this mine some
months ago, declared that the Steiner
boys seemed to stand a first class
chance of eventually being copper
kings.
